The culinary staff at Waterman Grille feels the necessity to inform our guests on the issue of mercury in seafood. Some types of seafood can contain elevated levels of mercury, which can be detrimental to the health of certain individuals. Please inquire with your server for details. Raw meat and shellfish, or products not cooked to recommended internal temperatures, can increase your risk of illness. If you have any food allergies please notify your server. To preserve an enjoyable dining experience, we request that cell phones not be used. An 18% service charge may be added to parties of 8 or more. Newport Restaurant Group is an Employee Owned Company. We support local farmers and fishermen, especially those who use sustainable practices. Local and organic ingredients are used whenever possible.
