

TRIO

A photograph of an outdoor dining area at dusk. The restaurant building is on the left, with warm interior lights visible through the windows. Several tables are set up on a stone patio, with people seated and dining. In the background, there are trees and a large, multi-story building with a tower, likely a hotel or resort, overlooking the ocean under a twilight sky.

WELCOME

The perfect gathering place for families and friends, Trio's essence harkens back to traditional roots with an updated twist. An open-air kitchen is surrounded by the cool, saturated hues reminiscent of a true seaside eatery, intermingled with a nod to the restaurant's core European influences; al fresco dining can be enjoyed against the backdrop of Narragansett Bay, just steps from the beach.

The culinary talents of Executive Chef Kevin Dilibero shine through Trio's expertly crafted menu, created in collaboration with Newport Restaurant Group's Culinary Arts Director, Casey Riley.

An inspired selection of appetizers, salads, pizzas, pastas, seafood and wood-fired entrees is perfectly complemented with a global wine list, featuring more than 100 fine labels and including 24 by the glass.

Let the eclectic, inviting atmosphere of Trio provide the perfect backdrop for your next social or corporate event.

CULINARY PHILOSOPHY

Our culinary philosophy, like that of all of Newport Restaurant Group restaurants, is guided by locally-purchased, locally-supported and organic whenever possible. The menu reflects authentic New England seafood offerings with South County influences and ingredients, as well as steaks and chops and house-made pastas inspired by the Mediterranean.

Authenticity permeates the restaurant from our open-air kitchen. Catch glimpses of our culinary team carefully constructing your meal. Your guests will love watching the action and be satisfied knowing their dish was so freshly and expertly prepared.

PRIVATE DINING ROOM

Get swept up in the setting of our serene Private Dining Room. It is the ideal place to host your event, providing an intimate feel to parties as large as 40 people. Idyllic hand-painted murals and vintage photographs depicting the shoreline of south county past frame the space, evoking a comforting, inviting mood for the finest dining experience.

PIER PATIO

Swing open the patio doors and note how past beach scenes flawlessly fuse with the present Narragansett shoreline. Linger outside on the patio, taking in the fresh ocean air, and wander back inside to enjoy your favorite freshly prepared dish.

THE TERRACE

Summertime on the shoreline could not be better than when enjoyed with great food and friends on our open-air Terrace. The perfect place to host a summer soiree, the Terrace comfortably accommodates up to 80 people. Soak up the sunshine while enjoying a drink from our private outside bar, or relax in the shade with an hors d'oeuvre in a lounge style atmosphere. Enjoy the ocean breeze as our team serves you and your guests the finest of food and drink. The inviting ambiance and its proximity to Narragansett Beach make this the ideal space to host your next seasonal gathering.
